

# JANUARY 26, 2017

## COMPLYING WITH NEW JERSEY STORMWATER REGULATIONS

Join the professional staff from the Rutgers Cooperative Extension (RCE) Water Resources Program at this workshop hosted by the Raritan Headwaters and sponsored by the New Jersey Department of Environmental Protection. The program will highlight steps to guide you and your municipality to ensure that new development is in compliance with the New Jersey stormwater management regulations. We will also focus on the importance and benefits of inventorying your municipality's stormwater infrastructure while complying with the state's MS4 permits. Visit <https://goo.gl/forms/3cg6n67H00k5piyZ2> to register; space is limited!
